

**Wylie Music Enrichment Program
Financial Aid Application
For Cooper JH/Draper Int. Bands**

The Wylie Band Booster Club provides financial aid for band students in need that participate in the band program of Wylie High School or one of its feeder schools to assist in covering the cost of band participation. One area of assistance is the Wylie Music Enrichment Program. This financial aid will typically cover half the expense of the student's private lessons. Funds are limited each year and the student's band director approves these grants.

COOPER JH/DRAPER INT. BANDS PRIVATE LESSON CONTRACT

PRIVATE LESSON EXPECTATIONS: *(Compliance with these expectations will be evaluated at the end of the first semester. The band director and private lesson teacher will determine if the student has been able to comply with all expectations of a student who receives financial aid for private lessons.)*

The student will:

1. bring all supplies to each lesson (includes private lesson book, music, and reeds that are in good working order.)
2. practice on a regular basis so that improvement in playing is evident (practice a minimum of 6 times a week for 20-30 minutes at each practice session.) This includes returning all assigned band practice reports with a minimum grade of 90.
3. prepare a solo for the Wylie ISD Solo and Ensemble Festival (7th and 8th grade) or Draper Solo Ensemble Festival (6th grade).
4. demonstrate a positive attitude in private lessons, band rehearsals, and band sectionals.
5. pay \$8.00 (1/2 of the cost of a lesson) to the private teacher either monthly in advance or weekly. The private lesson teacher will let the student know their desired method of payment. The Wylie Band Booster Club agrees to pay the remaining 1/2 payment for private lessons.
6. commit to participation in the Cooper/Draper band program (or That Wylie Band if applicable) through the 2009-2010 and 2010-2011 school years.

Failure to meet ALL the private lesson expectations (listed above) could result in the removal of the student from the private lesson program.

If the student meets ALL of the private lesson expectations (listed above), the Wylie Band Booster Club agrees to continue 1/2 payment of private lessons as needed through the 2009-2010 school year.

Financial aid in subsequent years is not guaranteed.

Student and parent must reapply for financial aid each school year.

I understand the Cooper JH/Draper Int. Band Private Lesson Contract as described above. I understand that the failure to meet all the private lesson expectations as listed above will result in removal from the private lesson program.
