I have a wonderful, good-looking, fantastic husband, a handsome twenty-one year old son, a beautiful fourteen year old daughter, and a beautiful two year old granddaughter.

I received my Bachelor of Science Degree through Dallas Christian College. I graduated Magna Cum Laude with a double major in Education and Business/ Management and Ethics. My plans are to eventually obtain a Masters Degree in Special Education.

I have always wanted to be a teacher and have worked hard to get to where I am today! I taught Kindergarten for two years and First Grade for three years...and I loved it! It was not until I began teaching that I realized my desire to work with special needs children. I started teaching Special Education in 2004 and have found it to be one of the most rewarding things I have ever done. I truly love every one of the students I have ever worked with!

Outside of working with special needs children, I love to spend time with my family and to watch my daughter play Select, tournament and league fast -pitch softball and WISD volleyball. I love spoiling my granddaughter and take care of her every chance I get!
