Ms. Rogers'

Second Grade

Congratulations to Ashley Parten for getting the Character Award for this six weeks. She demonstrated outstanding "respect".

Reading & Writing

We have been reading about Native Americans. Students created Totem Poles centered around 4 animals. They each wrote a story to go with their animals. The Thunderbird was in most of their stories.

Math

We have been adding and subtracting big numbers. Students have been encouraged to add /subtract the ones place before moving to the tens place.

Our next skill is "adding big numbers with regrouping". This skill needs lots of practice. Extra practice at home could be very helpful.

The Fall Party was great! Thank you to the parents that participated. We played "pass the pumpkin" and had fun eating gummy worms in mud pudding.

The Book Fair was a success! Thank you to the parents that bought books for our classroom. We love books!

November 10th was our school Thanksgiving lunch. Wow, we had a great turn-out of adults to eat with our students. The pumpkin pie was delicious! Yum! Yum!

Looking forward, Ms. Rogers

Social Studies

Students have been presenting their "Home Project Timelines". They are outstanding. Thank you to the parents that helped their student follow the directions.

We will play Native American games this Friday.

Science

We have been studying "change in motion". Students enjoyed finding things that attract to magnets and discovering that a heavy Jello box moves a shorter distance

RED Take-Home FOLDERS

GREAT BIG...

THANK YOU to

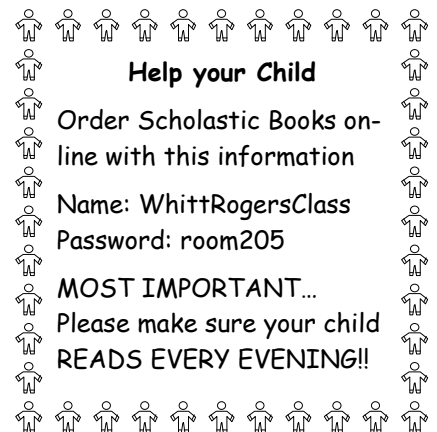

Mrs. Morrow for donating our nice new plastic red folders!! She rocks!
